## ***Rocelco LDC Large Double Cantilever Mount***

*The ultimate in viewing, installation and TV hookup flexibility*

- ✓ *Fits 42"-65" screens up to 90.7 kg/200 lb.*
- ✓ *Fits all VESA mounting patterns from 200x200mm to 800x500mm.*
- ✓ *Maximum 572mm/22.5" arm extension allows mounting anywhere, even in or near corners. Some customers who were planning to buy a large tilt mount, say for mounting above a fireplace, can be stepped up to the Rocelco LDC because it pulls out to allow easy cable access, pushes in almost flat to the wall, tilts down like a tilt mount, and swivels side to side for different viewing positions. It's also perfect for recessed mounting where the TV needs to be pulled out from an inset mounting position.*
- ✓ *Double cantilever design for the ultimate in smooth, stable and precise positioning of large flat panels, including easy front-to-back movement.*
- ✓ *Folds almost flat to wall to save space (screen is 133mm/5.25" from wall in fold flat position).*
- ✓ *Flexible multi-angle position includes 180° swivel at wall bracket, 180° swivel at centre pivot & 180° swivel at screen.*
- ✓ *Mount can slide to any position along wall bracket for even greater positioning flexibility.*
- ✓ *Tilt angle -15° to +5°.*
- ✓ *Screen level adjustment after installation  $\pm 4^\circ$ .*
- ✓ *Integrated cable management included; wall bracket knockouts for easy cable routing.*
- ✓ *Advanced high strength lightweight cast aluminum design, easy installation, bilingual packaging, attractive black finish.*
- ✓ *Compared to other brands of advanced design aluminum double cantilever mounts, Rocelco LDC is much lower priced and has more streamlined looks.*
